

CHILD TAX CREDIT DUE DILIGENCE

In order to properly calculate the amount of child tax credit due to you on your tax return we must know the amount of advanced payments you received. You should have received IRS Letter 6419 in the mail showing these amounts. Please attach that letter to this document. If you did not receive or misplaced your letter we **MUST** have the following information;

Month	Amount
July	
August	
September	
October

Without this information we **cannot** complete your return.

Inaccurate information will **delay** the processing of your tax return.
